May 2, 2018

Dear ACS Families,

It is May and it feels like spring is here to stay. May is the month of the Blessed Mother and one of my favorite times of year. **With only 7 weeks of school left – please make note of the following:**

- Dress code: Students are allowed to wear their ACS Spring uniform – remember shirts still need to be tucked in and belts worn.
- **CHIMES CANCELLED FOR MONDAY.**
- Income Surveys – Due tomorrow in order to receive a Principal for the Day Golden Raffle Ticket!
- Saturday 9:00 am First Holy Communion at the church – join us in celebrating!
- FSA Request: Graduation Work forms went out – please return as soon as possible!
- CHECK THE ACS CALANDER ON-LINE – also Posted on REMIND! There are many activities going on – we don't want you to miss any of them.
- Thank you to Mrs. Palhais and Emma for running the photo booth at the Mother Son Dance. What a successful event! Everyone had fun.
- Thank you to the Pancake Breakfast Team!

Thank you for all your support! Please if you have any questions or concerns, give me a call.

God Bless,
Mrs. Shumny

**Road to Graduation:
Anthony Resto**

Anthony has been a student at ACS since fifth grade. At first glance, Anthony has a quiet personality but once you get to know him, he will fill you with laughs! As he leaves ACS we know his work ethic and his willingness to help all who need it will be his greatest asset. Anthony participates in Safety Patrol, Food Club, Bowling, Senior Stackers and Yearbook. He does a great job balancing his activities and academics and is planning on attending Perth Amboy Vo-Tech High School. Anthony says the following about ACS:

What subject do you think you might want to pursue in the future?

The subject I will be pursuing in the future is coding or video game design. I would like to work at Activision or any big gaming company. I've loved gaming since I started when I was very little. Whether it is the graphic design or head producer I would love to pursue this interest.

What was your favorite class trip you've taken at ACS?

My favorite class trip was the trip to Liberty Science Center this year. I've always wanted to go so I was excited to visit. My class and I got to print 3D name tags for a necklace and it was really cool. After that we looked around and went into a jungle gym and a dark tunnel. We will be going again and I'm very excited!

What will you miss most about ACS?

The thing I will miss the most about ACS is the friends I've made over these past years. It was a big change from my last school, the people here are a lot nicer than my last school. I've had so many great memories here that I won't forget.

**Road to Graduation:
Marcus Resto**

Marcus, like his twin brother, has been a student at ACS since fifth grade. He participates in Safety Patrol, Food Club, Bowling, Senior Stackers and Yearbook. Marcus is known for his "Outstanding Cooking Skills"! He was one of the first 8th graders to sign up for Food Club and is planning on attending Perth Amboy Vo-Tech High School in September. His patience during safety patrol and willingness to assist younger students will be missed.

Marcus says the following about ACS:

What was your favorite class trip you've taken at ACS?

My favorite class trip that we have taken is to liberty science center because learned in depth about 3D printing and we also saw all different types of animals.

What is your favorite thing you have studied so far at ACS?

My favorite topic studied so far at ACS is World War II and the kamikazes and what Hitler did. How World War II began and ended is also very interesting and fascinating. History is about people and this time in history is unbelievable and I have learned so much.

What are you most proud of?

What I am most proud of is making it all the way to 8th grade, my grades, and my brother to for making it with me. I am also proud of my entire class. Yet, I am most proud of my parents for sending me to Assumption Catholic School.
