## Mrs. Shumny's Corner

May 10, 2018

Dear ACS Families,

Thank you to all our parents and the FSA for the special teacher lunch today and all the Thank You Notes! All of our ACS teachers are grateful and appreciate all your kindness! Our teachers at ACS are pretty awesome!

As you can tell by the calendar, we are BUSY! Please check on-line calendar regularly.

- Tonight is the middle school's Senior Drama Production of *Twinderella* – JOIN US at 7:00 pm.
- Mother's Day Tea celebration is tomorrow at 8:45am if you are joining us for the Liturgy and/or 10:00 am for Tea and muffins.
- Mother's Day plant sale is tomorrow afternoon \$1 for a plant. Big plant raffle is .50.
- Congratulations to the Principal for the Day winners: **PK-2: Gia N. 3:- Victoria M. 6-8 Dyla C.**
- FSA Request: Graduation Work forms went out – please return ASAP!

Thank you for all your support! Please if you have any questions or concerns, give me a call.

God Bless,  
Mrs. Shumny

**FSA CORNER!**

Graduation work signup sheet went home – please send back!

**Road to Graduation:  
Mackenzie Fizer**

Mackenzie has been a student at ACS since fifth grade. Mackenzie has a quiet and shy personality, yet is willing to help all in need! She excels in all academic subjects, and is one of six eighth graders who takes Algebra I at ACS. Mackenzie participates in Safety Patrol, Food Club, Yearbook, Sodality and is Treasurer of Student Council. She does a great job balancing her activities, academics and her competitive softball sport. She is planning on attending St. John Vianney. Mackenzie says the following about ACS:

**What is your favorite subject at school and why?**

My favorite subject in school that I have studied is social studies because I find it to be very intriguing. I love learning about the past and how we can learn from their misfortunes.

**What subject do you think you might want to pursue in the future?**

I would like to pursue science in the future. My main goal after high school is to go to college to study to become a nutritionist. Getting the right nutrition is very important and I would hope to show many who do not know this.

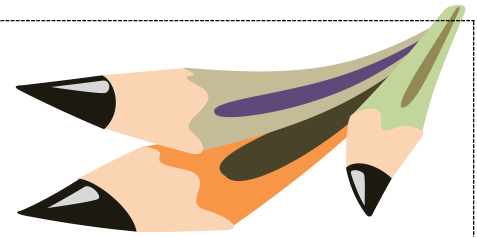

**Looking back, what would you tell your Kindergarten self?**

I would tell my kindergarten self that even though the journey looks difficult, and so far away, that it will be worth it in the end.

**What will you miss most about ACS?**

The one thing that I will miss most about ACS is all of the friends that I have made over the years and all of my teachers. They have taught me so much and I wouldn't be where I am today without them.

More ACS pictures and articles on our facebook page!

**Road to Graduation:  
Anaissa Ruiz**

Anaissa has been a student at ACS since fifth grade. She participates in Safety Patrol, Senior Drama and is Vice-President of Student Council. Issa, as we lovingly call her, is known for her positive competitive nature. She plays both basketball and softball and still manages to work hard on Student Council sponsored activities. Issa is also a hard working student who is consistently on the Honor Roll. She plans on attending Colonial High School in September. Issa says the following about ACS:

**What will you miss most about ACS?**

ACS is and will always be a part of my life journey. They taught me to live a life according to God and how to love. After this year the most important thing I will miss about ACS is the family I have learned to love even after sad and rough days. Not only will I miss my ACS family, I will miss being able to just talk to my teachers and Mrs. Shummy, whether it be asking for advice or just simply bothering them.

**What is your favorite memory from your time at ACS?**

Picking one favorite ACS memory would be the hardest thing to do, but the best time I had with my class would be every time we had lunch together. After spending four years with my classmates, friends, family I realized that even if I was having the worst day ever lunch-time with my class will always make your day 100% better.

**Looking back, what would you tell your Kindergarten self?**

If I could go back and tell my Kindergarten self something helpful I would most likely say some friends come and go but those who laugh with you and are there through thick and thin are the ones you want to keep.
