**Road to Graduation:
Nicholas Estok**

Nick's been at ACS since fifth grade. Nick is a very outgoing, talkative and friendly student. He does well academically and participates in Safety Patrol, Altar Server, Food Club, Yearbook, and Student Council. Nick is a true friend to all who know him and will do very well in high school. He will be attending Perth Amboy Vo-Tech High School and they are lucky to have him.

Nicholas says the following about ACS:

What was your favorite class trip you've taken at ACS?

My favorite class trip had to be the Statue of Liberty. I was in 6th grade when I went on this trip, we were learning a lot about the statue and we also went to Ellis Island.

What advice can you share with the 7th graders as they prepare for their last year at ACS?

I would say to enjoy the time you have with each other. You never know next year as your best friends might be going to a different high school. Also try to get good grades, because some schools actually do look at them.

Looking back, what would you tell your Kindergarten self?

I would tell myself to have fun and enjoy the time being younger, as there are many things get harder with age, many things including math.

What are you most proud of?

I most proud of the friends I've made. I never thought I would find friends that I would like to keep from this school going into the next.

**Road to Graduation:
Alexander Ferrer**

Alexander has been a student at ACS since fifth grade. He participates in Safety Patrol, Food Club, Sr. Stackers, Altar Server, and Yearbook. Alex is quiet at first, but has a funny sarcastic and good natured personality. Alex is going to Perth Amboy Vo-Tech High School and we at ACS truly wish him the very best! This is what Alex says the following about ACS:

What is your favorite memory from your time at ACS?

My favorite memory at ACS is when we took a tour of Perth Amboy. We got to learn about my city's history and got to take a group picture at the Perth Amboy sign.

What is your favorite subject at school and why?

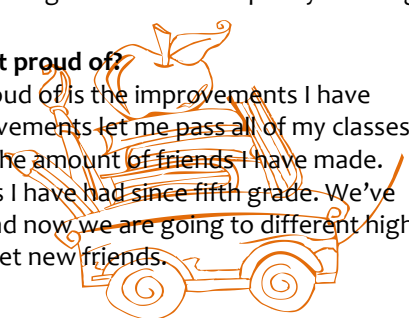

My favorite subject at school is Social Studies. I like S.S. because I like to learn about all the wars that have happened in the world's history. It's pretty interesting to know about these facts.

What was your favorite class trip you've taken at ACS?

When we visited the Statue of Liberty and Ellis Island. The Statue of Liberty is a symbol of freedom in this country. It is also the first statue you see when you arrive to the United States. Knowing that Ellis Island is where most of America's immigrants are from is pretty amazing.

What are your most proud of?

What I am most proud of is the improvements I have made. These improvements let me pass all of my classes. I also am proud of the amount of friends I have made. They are the friends I have had since fifth grade. We've come a long way and now we are going to different high schools and will meet new friends.
