## Mrs. Shumny's Corner

October 19, 2018

Dear ACS Families,

### DEAR PARENTS,

It has been a very busy October so far. I have outlined important dates, Club information and our FSA happenings – please look at our calendar online to keep up with everything that is going on.

As teachers are challenging your student in school, I beg for your support. Check REMIND and their planner and make sure homework is being completed. Are they having trouble? Email their teacher and together let's figure out why. Encourage your child to read every night and practice their math facts. Even 30 minutes a night increases vocabulary and builds confidence. I encourage you to look through your child's folders and ask them questions about what they are learning. It is easy for us to get wrapped up in our adult responsibilities and simply forget.

We thank you for trusting us with your children and look forward to ending the first marking period on a high note. Give us a call, send an email or schedule a meeting – we are here to guide your child's success!

Any questions or concerns, please call me.

Have a great weekend!

Mrs. Shumny

## HIGH PRIORITY

1. MORNING DROP OFF –PLEASE DO NOT DOUBLE PARK ON MEREDITH OR JACQUES STREET! THEY ARE VERY BUSY STREETS AND OUR STUDENT'S SAFETY IS OUR PRIORITY! WHEN IT STARTS TO GET COLD, WE WILL USE THE "BINGO DOOR" ENTRANCE
2. The present convent building was built in late 1954 as a residence for the priest but with time was converted into a home for the Missionary Sisters of Mother of God who arrived in our parish to serve the parish school. The convent has long been in need of serious improvements. The general condition of the house is marginal, with heating difficulties, old kitchen cabinets, aging appliances and a need for new flooring and painting. The convent needs upgrading to provide a comfortable living space for Religious Sisters if they ever come back. We would like to collect three - four bids and begin the process of selecting the best contractor for the job. After the Parish Financial Council selects the best bid, we will ask the Bishop to give us permission to go ahead with the project. If you know a contractor that would be willing to give the Assumption church an estimate for the entire scope of work, please ask him to call us at 732-827-0767 or at Fr. Ivan's cell 202-368-2408.

3. The Yearbook Committee has sent home a QUICK Pasta Sale Fundraiser – the 8<sup>th</sup> graders are excited! Please support them if you can. Ends Mon. 11/29
