## Mrs. Shumny's Corner

February 28, 2019

Dear ACS Families,

As February comes to a close and we mark the middle of the third marking period, we can all agree that this school year is going by quickly! This was a busy week at ACS. We hosted a wonderful community event this week. What started in October as a Basketball Club at our school grew into a smaller competitive team which challenged Perth Amboy Catholic School to play a game. PACS students played an excellent game and took the win, but what an experience for our athletes! We thank both team's great coaches for organizing the competitive scrimmage.

A lot of information is going home today so please take a few minutes to look through it and keep informed. Information going home today and reminders:

1. March Calendar, Menu, Track Interest Form
2. **THIS MONDAY**, March 4<sup>th</sup>: Wear Red & White ACS will be celebrating the POWER of READING!
3. B6T Forms – PLEASE send back your forms – even if you are unsure about re-registering. This is money you may be eligible for.
4. Empanada Sale March 7<sup>th</sup> – It is a long tradition at ACS that the 7<sup>th</sup> grade plans, cooks and performs for the 8<sup>th</sup> grade graduating class. In order to fund their special event, they do several bake sales and an empanada sale. Flyer going home today!
5. Yearbook Sales are open – \$26 Limited quantity available, so first come first served. Also, Friendship Ads are available.
6. Next Wednesday, March 6<sup>th</sup> there is a 12:30 dismissal and a Pancake Breakfast.
7. AdvanED survey will be out on REMIND tomorrow! Principal for the day Raffle still on – sign survey paper going home tomorrow.

As we welcome the month of March and the Lenten season, remember we are here to instruct and guide your children. We will pray that our school and parent partnership continue to flourish for the success of each and every one of our students.

Thank you for your feedback and encouragement. If you have any questions or concerns please call the school office at 732-826-8721

### How often do you recharge your mobile phone?

How often do you recharge your mobile phone? Some need to do this once every three days, while others need to recharge their batteries daily. Then there are those who don't have mobile phones, so recharging does not apply to them. Let us look at this from a different angle. Doesn't the need to recharge a phone battery remind you of the need to recharge yourself? This is a valid comparison. Quite often, it seems that a person's battery is low, and he or she needs to find a source of energy and recharge. This "boost" provides the strength to go on. Our Lord is the source of renewal for each of us. He is our true source of inspiration and strength. He is always ready to help and strengthen us spiritually: "Come to me, all you who are weary and burdened, and I will give you rest." (Matthew 11, 28). Such a recharging is far more important than the recharging of a mobile phone. So why do we so often forget about this? Why are we not concerned that our battery is critically low, and why are we not looking for a charger? We go on the internet, we play games on our mobile phones, we listen to music and do other things which are basically not important or pressing at the given moment. The same goes for our internal state. We are spiritually exhausted, yet we continue to do that which exhausts us even more. On the surface it may seem that we are full of energy, yet this is not always a good indicator of what is happening on the inside. A mobile phone looks exactly the same on the outside, whether it's charged or not. When we click the on button, the phone lights up and we can see how much life the battery has remaining. It's much the same with us: when we feel an emptiness inside, we turn to God and HE gives us the light that opens our eyes. May each of you have a light in your heart that indicates when your battery is running low and needs recharging. May you always draw strength and inspiration from being with God, and may your battery always be 100% charged.
