Our School

Assumption Catholic School (ACS) has been educating students for over four decades – since 1963. ACS is located in a well-maintained building on beautifully landscaped grounds in a quiet residential section of Perth Amboy.

ACS is staffed by the Missionary Sisters of the Mother of God and lay teachers.

Students come from Perth Amboy and surrounding communities in Middlesex, Monmouth, Somerset, and Union Counties.

Family-oriented with small class sizes, ACS promotes Catholic values, academic excellence, individual thinking, and civic responsibility. Assumption Catholic School accepts children of all faiths.

Family is the heart of Catholic education. Our active Family School Association (FSA) works closely with school personnel in support of our children.

Our Education

Our curriculum is in accordance with the New Jersey Core Curriculum Content Standards and local diocesan guidelines for elementary schools. It includes: mathematics, science, language arts, and social studies. This program is enriched by physical education, art, music, a media center and computers.

The foundation laid here enables the student to succeed in high school, college, and careers. Many of our alumni hold advanced college degrees and they practice a wide spectrum of professions.

At ACS, traditional Catholic religious education is taught at each grade level and students attend weekly Divine Liturgy (Mass). The importance of morals are incorporated into their daily school life.
