Our School

Assumption Catholic School (ACS) has been educating students since 1963. ACS is located in a well-maintained building on beautifully landscaped grounds in a quiet residential section of Perth Amboy. ACS is staffed by the Missionary Sisters of the Mother of God and lay teachers. Students come from Perth Amboy and surrounding towns and as far as Monmouth, Somerset, and Union Counties.

ACS promotes Catholic values, academic excellence, individual thinking, and civic responsibility.

ACS faculty members are all highly qualified and have a variety of experiences and educational professional background. Our class sizes are no larger than 20 students in a grade, which allows for a student centered learning environment.

Family is the heart of Catholic education. Our active Family School Association (FSA) works closely with school personnel in support of our children.

Our Curriculum

Our curriculum is in accordance with the New Jersey Student Learning Curriculum Content Standards and the Diocese of Metuchen guidelines for elementary schools. It includes: mathematics, science, language arts, and social studies. This program is enriched by physical education, art, music, language, and media center which include: computers, library and research.

The foundation laid at ACS enables the student to succeed in high school, college, and careers. Many of our alumni hold advanced college degrees and they practice a wide spectrum of professions.

At ACS, traditional Catholic religious education is taught at each grade level and students attend weekly Divine Liturgy (Mass). The importance of morals are incorporated in our daily teachings.
