

ACS Yearbook

Graduate's Name: _____

Dear Parents of ACS Graduates,

It is that exciting time of year when I have to ask you to assist us in meeting our next deadline for the production of our Class of 2018-2019 Yearbook!

There is a long standing tradition that each graduate's family submits:

- **One, baby photograph** which will be returned to you unharmed. (Traditionally, from age birth to 6) The younger the better. Our yearbook is printed in color, but if you select a black and white image that is just fine.
- A note from their parents that will be included in the yearbook as part of the graduates pages. **Very Important:** to keep in mind the amount of **limited space available** to you is typically the size of a standard post-it (3in x 3in). Keep your messages short, simple, and meaningful.
- Payment for reserving your copy of the yearbook & production of your Parent Message is **\$40.00 per student.**

The Yearbook Club thanks you for cooperation and timeliness in order for us to meet our next deadline.

All Baby Photographs & Parent notes are due to Mrs. Vattelana on

**You may send me digital copies of both your baby photo and the parent letter to: DVattelana@assumptioncatholicschool.net

Suggestions: For the Parent Letter, no smaller than a 9pt font and Keep to the 3in x 3 in format.
