New Windows for ACS!

Have you seen our window?! After many estimates and patiently waiting, our new windows are installed. We are extremely grateful for all of God's gifts and blessings.

With our Security funds for this school year, we were able to replace our main entrance large window and our first floor bathroom windows. We have been able to assess our school's needs and work diligently to allocate our funding to improve the building to better serve our students. What's our next project?.....stayed tuned.
