

## Supply list for fifth graders, 2020-2021

NOTE: if you have anything reusable from last year, please use it before you buy anything new. I am a strong believer of the reduce, reuse, recycle way of life.

Planners will be purchased through school so don't buy one.

What follows is what your child will be using daily/weekly.

Usually, these supplies need to be replenished around January.

3 "marble" notebooks

Crayons - nothing bigger than a 48 pack

Markers (NOT Sharpies please!) - not more than 16

Colored pencils - no huge packs please

12 pencils

Extra erasers

2-3 pens

Scissors

White glue (like Elmers's)

2-3 glue sticks

2 Clorox Wipes

1 Paper Towels

2 Tissue Boxes
