2. Bi-weekly Principal's **Newsletter** - whole school announcements and reminders. Half day and Holiday reminders.

4. **Teacher emails:** All ACS teachers are available by email - also listed on the website. Do not hesitate to send a message about your child - sometimes a quick clarification goes a long way!

Principal's Newsletter

October 22, 2020

Dear ACS Parents:

Last week and into this week all ACS students in grades 1 to 8 have taken their MAP assessments in Language Arts, Math and Social Studies. We are proud at how hard they worked during this testing period. Result will be sent home by next week and will be a topic of conversation at Parent Teacher Conferences. The assessment is a starting point for your child's progress for this school year and gives the teacher clear direction for your child's academic needs.

Please follow our Assumption Catholic Facebook page and see updates on our weekly happenings. We have posted articles and pictures about our STEM program, our whole school outdoor Rosary and many others.

If you have any questions, please feel free to call.

God Bless, Mrs. Shumny
