## Principal's Newsletter

March 26, 2021

Dear ACS Parents:

The weather is changing, marking period 3 is coming to a close and Easter break is almost here! The month of March has been full of reflection, hard work and a little excitement. The last couple of weeks we have focused on Lent and what it means to grow closer to Christ. At each Station of the Cross teachers and students pray and recall Jesus' journey - his suffering for our salvation. It is a truly beautiful experience and I am grateful we were able to safely keep this tradition.

ACS has also been pretty busy with new technology, shipment of supplies and planning for next year! Here are some updates:

1. Installation of 4 new Security Cameras - we now have all our exits covered, the auditorium (watching Pre-K in Phys Ed is my new favorite pastime lol), hallways and the main staircase.
2. We have received most of our \$15,000 of cleaning and PCP supplies which were purchased with CARES Act funding
3. 10 new Teacher laptops - they are so high tech we need new connectors for our current Smartboards .... BUT
4. We have ordered 9 BEAUTIFUL Promethean Boards as well as Professional Development for our teachers to use its many features

Many hours of planning have gone into keeping our school safe, making sure we have adequate resources and new technology to enhance our student's learning and experiences. A very productive month if I should say so myself!

Have a safe and Happy Easter! Mrs. Shumny
