Dear

ACS Parents:

May has been so BUSY and we are only half way through! First, our Diversity Day was celebrated on Tuesday, May 11th. We celebrated the uniqueness of our students by honoring their cultural diversity. Planned and organized by Ms. Drayton and Mrs. Garcia, classes explored the question of "What is it to be me?" This led to a better understanding of individual ethnicity and pride in what makes us who we are. Using that theme, all students created videos using the Flipgrid program. THEY WILL BE ON OUR YOUTUBE BY TOMORROW!

The day's highlights included the premier of the students' "flipgrid" videos followed by a delicious international lunch. Thanks to the ACS Family and School Association for providing a delicious catered lunch (see facebook for full article and so many beautiful pictures of this event).

The next exciting happening was today! After Divine Liturgy, 3 new members were inducted into the ACS chapter of the National Junior Honor Society. Giovanna Barrientos Roman, Yean Paul Magyar, and Derek Vazquez were welcomed to the special group by Dylan Acevedo and Jeremy Valdez, the only remaining members from pre pandemic - 2019. Dylan and Jeremy reviewed the qualities that are considered when applying for membership. They are Scholarship, Service, Leadership, Character, and Citizenship. Parents of the inductees and students from grade 5 through 8 were also in attendance. May God continue to bless them as they get ready to start the next chapter of their lives (see facebook for article and more pictures of this event).

We are so happy to offer these special celebrations and still keep everyone safe! Thank you for your support.

Please check the back of the Newsletter for important dates and take a few minutes to read our letter from Bishop Checchio. Have a wonderful weekend and please reach out if you have any questions or concerns.

Blessings, Mrs. Shumny
