

† Assumption Catholic School

Ukrainian Catholic Church of the Assumption

We prepared all summer to welcome back students and teachers, and despite some last minute grade changes we are truly ready for the 2021-2022 school year!

So as we end our first week of school please remember we are a family and as a family, we work together and help each other to be and do our best.

If you have any questions, suggestions, or want to share an idea, please feel free to call me at the school, text me 732-343-0750 or email me lshumny@assumptioncatholicschool.net as I am here to help and serve my community.

Have a wonderful school year and may the Blessed Mother continue to watch over us.

Sincerely,

Mrs. Shumny

High Priority

*Please no double parking. Please be careful when pulling out AND ABOVE ALL, NO NOT DOUBLE PARK. I am looking for someone who is available from 7:45am to 8:45am (paid position) to direct traffic and assist with drop offs. Perth Amboy bus drivers are not happy with ACS and I feel we need help for a couple of months in developing a safe routine.

*Please note: As long as weather permits we will be lining up on the playground for prayers.

Principal's Newsletter

September 10, 2021

Dear ACS Parents, Students and Stakeholders,
As I start my fifth year as principal, the excitement is the same as my first year of teaching! Although many things have changed as far as curriculum, building upgrades and technology, our foundation and beliefs remain the same at Assumption Catholic School. Our commitment to Catholic Education and our mission To Know, To Love, and To Serve God is woven into the core of our mission and our identity. This year we welcome 176 students to our school with open arms, and are extremely excited to kick off the new school year.

Our Building and Grounds Team worked extremely hard to get the building ready and we thank them for their dedication. Here are some of our 2021

Summer Projects:

- *computer and network rewiring of all three floors in our building
- *15 new Access Points and new cyber security measures
- *painted one more classroom
- *12 brand new faucets for all student bathrooms
- *replacement of ceiling tiles in two classrooms
- *more STEM supplies
- *playground repaved - an intense project!

We have also been really blessed by so many donations from ACS families and friends. A very generous parishioner donated a commercial grade humidifier, four air conditioners and air purifier units with window kits were donated by current ACS families, the bathroom faucets were a donation from ACS alumni. We are so grateful.

Dates to Remember:

EVERY Wednesday this month is a Physical Education Day - please wear your gym clothes

7th and 8th graders will have several Catholic High School Visits this month.

September 24th Movie Day - Flyer will be going home

MAP Testing starts September 27th

Other:

***Cafeteria** - September Menu sent home - any questions please call the office.

Please Note: ALL students MUST bring water bottles as all water fountains are closed. Microwave not available.
