Principal's Newsletter

January 14, 2022

Dear ACS Parents and Guardians,

Happy New Year! We welcome 2022 with an open heart and pray that God continue to watch over our school, students, friends, and families. In reference to COVID cases, Father Ivan and I plan to keep ACS open as long as schools are not mandated to close. Our commitment to all COVID cleaning and sanitation protocols and maintaining a safe environment for our students continues to be a priority. We thank parents who are testing their children and following our quarantine procedures and are grateful for the teachers who are working with them to make sure our students stay on track.

We understand the CDC has changed their quarantine period to 5 days, yet ACS will continue to keep our 10 day policy (If the student/teacher is vaccinated it will be 5 days). In addition, we will no longer be quarantining full classes, instead we will follow the NJ contact tracing protocol and notify only students in direct contact to the student who tested positive. Masks/face shields are still required by law.

Important Points:

*Middle School LA and Math exams next week; refer to teacher memo

*Marking period two ends January 21 and report cards will go home Friday, January 28th. Please check PowerSchool and email teachers on missing work especially if your child has been absent.

*We are off on Monday in observance of Martin Luther King, Jr.

*Re-registration paperwork for the 2022-23 school year are going home today. Please read it thoroughly - we are offering the same monthly payment plan for our returning students. Please send paperwork back (ESPECIALLY B6T forms - many cities changing their policy)

*NED Show Yo-Yo sale - see flyer

*Lunch/Extended Care: Mrs. Baralecki sent a note home and/or Mrs. Phyllis emailed parents before break on balances that are past due for both lunch and extended care bills. Please respond accordingly. We want to continue to provide these services and need everyone to cooperate.

God Bless,

Mrs. Shumny
