Principal's Newsletter

May 9, 2022

Dear ACS Parents and Guardians,

I hope that all our wonderful ACS moms had a wonderful Mother's Day! We were so happy to host a Mother's Day Tea and we truly hope everyone enjoyed it. Don't worry Dads! Your day is coming!

First, as May is here and in full swing, please take a few minutes to look at the May and June Calendars attached. All special events have been scheduled - please notice the End of the Year Show Date and PK Stepping-Up Program date adjustments.

Second, the third and last MAP testing starts this week and this last snapshot will show us your student's progress and growth in their current grade. It gives us a roadmap to the skills that may need to be reviewed in the summer, and a starting point for September.

Lastly, we have some exciting announcements! Mrs. Cooper has accepted a position in a Special Education school and we wish her the very best as she starts a new journey. I will miss my Mary Poppins dearly and after five years at ACS, I am grateful for her service. And, don't worry - no one really leaves the ACS block! I am also super happy to announce that Mrs. Lawrence is retiring ... well, sort of! LOL! Her role at ACS will move from classroom teacher to Administrative Assistant in September. She will help me with our Special Services, planning and reviewing student accommodation plans, supporting teachers and special projects. I look forward to this transition and the added support it will bring our students, parents and me. If you know of a certified elementary school teacher interested in teaching at ACS, please let me know or have them email me at lshumny@assumptioncatholicsschool.net. I have already started interviewing, and am excited to find the perfect fit for our ACS students (I do not have grade announcements for next year as I am still trying to fill the openings).

Any questions, please give me a call or call the office at 732-826-8721.

God Bless, Mrs. Shumny
