## ABOUT

You're going to create a Clothes Hanger Book Report! Your Clothes Hanger Book Report or Project will include a creative representation of the book's cover, a plot summary, character analysis, setting profile, theme review, and personal review. Each element of your report will be written on an illustration of a different article of clothing. Your final project will be a fun hanging mobile made of a clothes hanger, paper clothing, and your wonderful ideas!

While reading the book, you will be completing first draft pages that require you to make note of the novel's plot, characters, setting, theme, and your personal reactions to the novel. Then, you will write final copies of each project element and assemble them on a clothes hanger.

Your work on each element of the Clothes Hanger Book Report will showcase your understanding of the book you read. Your final project should be creative, detailed, insightful, and created with care!

# PLOT

## NEXT STEPS:

- Re-read the plot events that you wrote. Place a star next to the most exciting part of the book. This will represent the climax of the story. (It usually occurs toward the end of the book.)
- Review the spelling and punctuation of the plot events that you wrote.
- Re-write each plot event from your first draft onto the final copy "Plot T-Shirt" Shape.
- You will need to write fairly small. Be sure to use neat handwriting.
- Once you have written all 10 plot events, place a star next to the climax in the story on the final copy shape.

## ASSEMBLE THE PROJECT:

- Cut out the "Plot T-Shirt" shape with the final copy version of the plot events. Cut along the solid black line.
- **IMPORTANT** - You do not need to cut apart the front and back of the T-shirt. Be sure to just cut out a single shape.
- Once your "Plot T-Shirt" has been cut out, fold it in half.
- Add glue inside the fold to create a T-shirt shape with a front and a back.
- Punch a hole along the top of the T-shirt shape.
- Add string and hang your final copy "Plot T-Shirt" from the hanger.

What are the main things that happened in the book?

- Punch a hole next to the "T" in the word "Theme."
- Add string and hang your final copy of the "Shorts" from the hanger.

# FINAL COPY MATERIALS

- The following pages are the final copy versions of the clothing shapes.

- Students will transfer information from their first drafts to the clothing shapes.
- Then, they'll cut out the shapes, glue them as instructed to make them two-sided, add string or yarn, and attach them to a hanger.
  
- **IMPORTANT:** Students will also need materials for their project hangers. There are two options:
  - **Paper Hanger** - Students will glue two pieces of paper together to make a paper hanger shape. Then, they'll design the paper hanger, cut it out, and hang the project elements from the shape.
  - **Real Hanger** - Students will design a "hanger sleeve" for a real hanger. They'll slide the sleeve over a real hanger and hang the project elements from a wire or plastic hanger.
  - Materials for each version are included in this resource.
