

2026 - 2027 Summer Reading and Math Assignment grades

K-4

Kindergarten: Practice writing and matching upper and lower case letters and practice their sounds. Review shapes, colors, counting up to 100, and read two books with a special person!

First and Second Grade:

Pick TWO books to read from the list below and practice your sight word list

Any TWO Pete the Cat book by James Dean, Junie B. Jones chapter books, Magic Tree House Books by Mary Pope Osborne or Flat Stanley books by Jeff Brown
You will be working on a project on one of these books the first week of school.

Third Grade: required read: Wayside School by Louis Sachar

Fourth grade: required reading : The Unteachables by Gordon Korman

ACS Clothes Hanger Project! Students will create a hanging mobile with articles of clothing hanging from a hanger. The book project has a clothes theme. It includes the title and author, a plot summary, character analysis, setting profile, theme review, and personal reflection. Each aspect of the book project is completed on a different item of clothing that hangs off a hanger with the expression, “Try this book on for size.”
