Principal's Newsletter

October 4, 2019

Dear ACS Parents:

I am pleased to announce that we have a new 7th grade teacher, Mrs. Garcia. She comes to us with a Mathematical Science degree from Kean University, a wide range of experience and A LOT of enthusiasm. Please join me in welcoming her to our ACS family. Her email is rgarcia@assumptioncatholicsschool. Read more about her in our Teacher Corner.

Attached you will find the new four week schedule for the 21st Century After School Program. I have received many calls in reference to Basketball - rest-assure that it will start when Bowling is finished. Due to the gym availability, Bingo days, and Coach's schedule our recreation day has to remain on Tuesday.

When creating the schedule we take into consideration how many students are in each activity and try to provide all our students with an opportunity to have new experiences and learn new skills. Homework and extra help is the priority and creating a balance is not always easy.

Please be patient as this is a whole new program for us. Our students are excited and involved and we are thrilled to be a part of this opportunity. Thank you for all your support.

If you have any suggestions or feedback on any of our academic programs, afterschool clubs, or any questions, please give me a call or email me.

God Bless,
Mrs. Shumny, lshumny@assumptioncatholicsschool.net
732-343-0750 cell

High Priority:

Safety is our first priority and the law!

1. No Parking on the YELLOW Lines
2. **NO DOUBLE PARKING PLEASE!** This includes drop-off and pick up times.

How do I reach my child's teacher? Email, REMIND or leave a message at the school office.

How do I communicate with child's teacher?
It is the key to student success! Please join REMIND ASAP!

Is your child Catholic, in grades 3-8 (2nd grade is prepared in regular Religion class) and baptized and interested in receiving First Holy Communion in May.

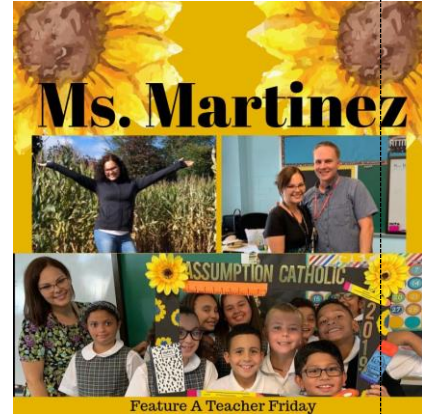

Teacher Corner: Introducing our New ACS Team Members

4th Grade
ROCKS

Miss Martinez

Miss Martinez was born and raised in Perth Amboy, New Jersey. She graduated from Kean University with a BA in mathematical sciences. This is her third year as part of the ACS family and 1st year as a full time teacher. Ms. Martinez's favorite subject to teach is MATH of course! Her favorite colors are teal and yellow. Her favorite flower is a sunflower! When she is not in the classroom there is a good chance you can find her roller skating, crafting or listening to live music.

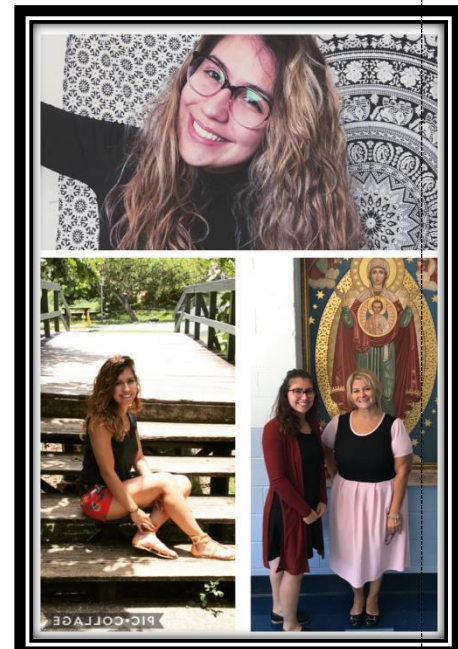

Mrs. Mieczkowski

Mrs. Mieczkowski was born in Bayonne, NJ and lives in Old Bridge with her husband and two daughters. Her favorite color is purple, and on her down time she likes to sit back with a cup of coffee and a little reality TV. She is a recent graduate from Grand Canyon University with a BS in Educational Studies. While in school, Mrs. Mieczkowski gained her experience in the classroom as a permanent substitute for the Jamesburg BOE. This is her 1st year not only with ACS but as a sixth grade educator. She is most excited to share her love of science with her students and can't wait to perform experiments in our lab. If you can't find Mrs. Mieczkowski in her classroom, you will definitely find her either at The Max of Old Bridge working out, at the field watching both of her daughters playing softball or donating her time with the South Amboy Columbiettes where she serves on the board as President.

Mrs. Garcia

Mrs. Garcia was born in Jersey City and moved to Perth Amboy when she was in second grade. She moved to Puerto Rico in the 5th and 6th grade but then moved back to Perth Amboy for 7th grade and stayed here until she graduated from PAHS. She attended Kean University and obtained my BA in Mathematical Science. Her favorite subject is math! Her favorite color is blue because it reminds me of the ocean and nature. She absolutely loves the outdoors and exploring. She also loves playing Sudoku, photography, and crafting.
