March 26, 2021

Dear ACS community,

With Easter holidays and break soon upon us, we want to remind everyone of New Jersey's travel advisory that strongly discourages interstate travel outside of the immediate region which includes New York, Pennsylvania, Connecticut and Delaware.

Students, faculty and staff who choose to travel outside of this region will need to abide by the [State's travel advisory](https://covid19.nj.gov/faqs/nj-information/travel-and-transportation/are-there-travel-restrictions-to-or-from-new-jersey) (<https://covid19.nj.gov/faqs/nj-information/travel-and-transportation/are-there-travel-restrictions-to-or-from-new-jersey>) upon their return.

This is also a good opportunity to remind us all to remain vigilant when it comes to COVID compliance including use of face coverings, social distancing, washing hands frequently and considering getting vaccinated among other prevention methods. The [COVID-19 Weekly Activity Report](https://www.nj.gov/health/cd/statistics/covid/) (<https://www.nj.gov/health/cd/statistics/covid/>) for the week ended March 13 identifies our region of the State (Middlesex and Mercer counties) as a high transmission risk given the prevalence of COVID-like illness, the case rate and the percent positivity in our region. In fact, 5 of the State's 7 regions are identified as high risk. This is not a time to let our guard down.

We're in the home stretch of this academic year. We can end this year strong and healthy if we each remain vigilant and do our part in making smart decisions that will help prevent the spread of the virus.

Sincerely,

Mrs. Shumny
