Dear ACS Parents and Guardians,

Catholic School Week is here! Please make sure you look at the schedule of events planned for the week.

Catholic Schools' Week is right up there on the excitement meter with Christmas! It is a time to celebrate and appreciate all that we are and all that we have.

There will be whole school activities, student council planned activities, teacher prepared activities . . . well, you get the idea. It's a week of fun for our school community that is looked forward to each year.

What should you do? Please, please, please read the schedule of events and keep it handy all week. We want all of our students to participate in everything and not miss out on anything.

Families, thanks for all you do!

God Bless,

Mrs. Shummy
