Dear ACS Parents,

Last week we had our first field trip of the year. Usually we only have one field trip in the spring, but The Francisco Family Farm was a great opportunity to learn and have some fun! Our students had a terrific time and those bunnies were just adorable!

I ask all ACS parents to be vigilant of your children using Discord and other chats to communicate with friends. In the last three weeks, several issues in various grades have been affecting student relationships and performance in school. I know it is difficult to monitor everything on cell phones, iPads and computers. YET we all have to be careful and do our best to protect our children. My biggest concern is always who our children interact with, especially outside of school. My teachers and I do our best to control technology and interactions in our building, but the truth is our kids are very smart and many times a step ahead of us in the technology realm. Please support us as we discuss appropriate behavior and discuss internet safety with them. The Perth Amboy Police Department will be presenting a workshop on this topic.

Bingo - please mark those calendars for your assigned days

Please take a few minutes to really read it. This is our biggest fundraiser and such a beautiful community event - But does require all hands on deck to make it success.
