Principal's Newsletter

November 2nd, 2023

Dear ACS Parents,
Welcome November 2023! It is a busy month, so stay connected. I want to thank parents for volunteering at the Book Fair and the Fall Festival pancake breakfast. Our students has a lot of fun!

Reminders:

1. Parent Teacher Conferences are November 14th and parent forms were sent home. If you have not returned it, the teacher automatically assigns you a time. Teachers will send finalized schedules next week.
2. 21CCLC clubs – parents if you are in a hurry at pick up, please arrange your schedule to arrive earlier. If your child is in arts and crafts & Jewelry, they have to clean up their project before they can be teleported to the front door. Our clubs are held in the lower level, different classrooms, kitchen and stage – you have to be patient. OR stick to our schedule, regular dismissal, 3:15pm (after HW help), 4:15 (after club 1), 5:15pm (after club 2).
3. Christmas Bazaar – All Paperwork is going home to select your top choice to work at the Christmas Bazaar, another classroom basket reminder and our Bazaar welcome letter! Remember the 50/50 tickets are also part of the Plan 1 tuition requirements and they should be going home next week! The virtual bazaar is underway – click the link on REMIND!
4. Thanksgiving Feast – November 22nd: We need turkeys! And we need volunteers! It has become a tradition at ACS for us to have a school-wide Feast where every class cooks, decorates and hosts. We invite the Mayor, the seniors from our church and our community. Save the date and if you can help please send me a message.
4. School calendar and menu is on our website. I have attached a paper November Calendar.
5. PICTURE DAY information is also going home. You can send payment to school on actual picture day (in uniform!) OR pay online. I will also put a reminder on REMIND as the day gets closer.
6. Clothing drive: work on your winter closet cleanup and send in all your unwanted clothing, shoes and bedding items!
7. **MAP SCORES:** MAP Family Reports went home and all teachers have had conferences using the MAP scores with their students. Each student at ACS creates Goals with the teachers and each of our teachers uses the data to re-teach, create small groups to be able to support all our learners. Any specific questions on the testing please feel free to contact me.

Any questions give me a call please!

God Bless, Mrs. Shumny

October Student of the Month!

Pre-K: Tadei H.
