Principal's Newsletter

December 8th, 2023

Dear ACS Parents,

ACS went from the Thanksgiving Feast celebration and jumped right into Christmas Bazaar festivities! It has been busy and a bit hectic, yet so full of love and the Christmas spirit.

We are waiting for final calculations on the profit, but feel it's in the $30,000 range. Our full report will be available at our next FSA meeting. Because of the Bazaar, ACS is able to offer the best in
• academic programs,
• advances in technology,
• service and religion programs,
• safety and security, AND all the "extras" that make the value of an ACS education far exceed the price of tuition

To my Family and School Association Board, you are appreciated and to all my parents, who make up the FSA, the success of this event is owed to your commitment. I truly appreciate the strong team we have.
